INSTRUMENTATION, ANALYSIS AND TESTING EXHIBITION

Entrance to the exhibition & open forums is free to visitors along with complementary refreshments

THE SILVERSTONE WING, SILVERSTONE RACE TRACK
12 MARCH 2013 10AM - 4PM

Over 50 exhibitors will present the latest advances in measurement and analysis technology in aerospace, automotive, motor-sport, rail, industrial, off-highway, power generation & medical industries. Visitors will be able to discuss these developments & their applications with exhibitors in an informal atmosphere.

Open Forums include:

- Residual Strain - Effects & Considerations
- Improvements in the Whole Testing & Predictive Process
- KERS - Standard & Hybrid Systems
- Past Successes & Future Challenges in Vehicle Dynamics

Guest panels comprising industry experts will expand on the technical developments & take questions from the floor.

Visitors

If you are interested in attending please pre-register by emailing eis2012@e-i-s.org.uk or visit www.e-i-s.org.uk.
